*foundations*

Apple OSX, Microsoft, & Ubuntu

Adobe suite, Autodesk AutoCAD & Revit Architecture, Google SketchUp, & Microsoft Office

Color theory, color trends, construction documents, CSS & HTML coding, finish selection, graphic communication, modeling, space planning, specifications, & staging

## education

*09/2009*

Bachelor of Fine Arts - Interior Design CIDA  
The Art Institute of Portland  
Portland, Oregon

## experience

*1/2010*  
*4/2010*

Construction Helper  
Private Party  
Portland, Oregon

I worked closely with the General Contractor and Painting Sub Contractor to complete a renovation of a cir. 1894 home converted into two dwellings.

*7/2009*  
*1/2010*

Contract Design/Intern  
Commercial Design Systems  
Tualatin, Oregon

While on contract I built presentation models in Google SketchUp for a Whole Foods project - working close with inhouse Graphic Designers. While interning I rendered elevations for an Albertson's Store project presentation, and ordered finish samples.

*2/2008*  
*11/2009*

Associate  
West Elm - Williams Sonoma  
Portland, Oregon

I worked as a stock associate helping with seasonal floor sets and staging. I gained experience in assembly, shipping & receiving, customer service and teamwork.

*5/2003*  
*6/2006*

Team Leader  
Target  
Portland, Oregon
